

How to Join ChessKid Tournament

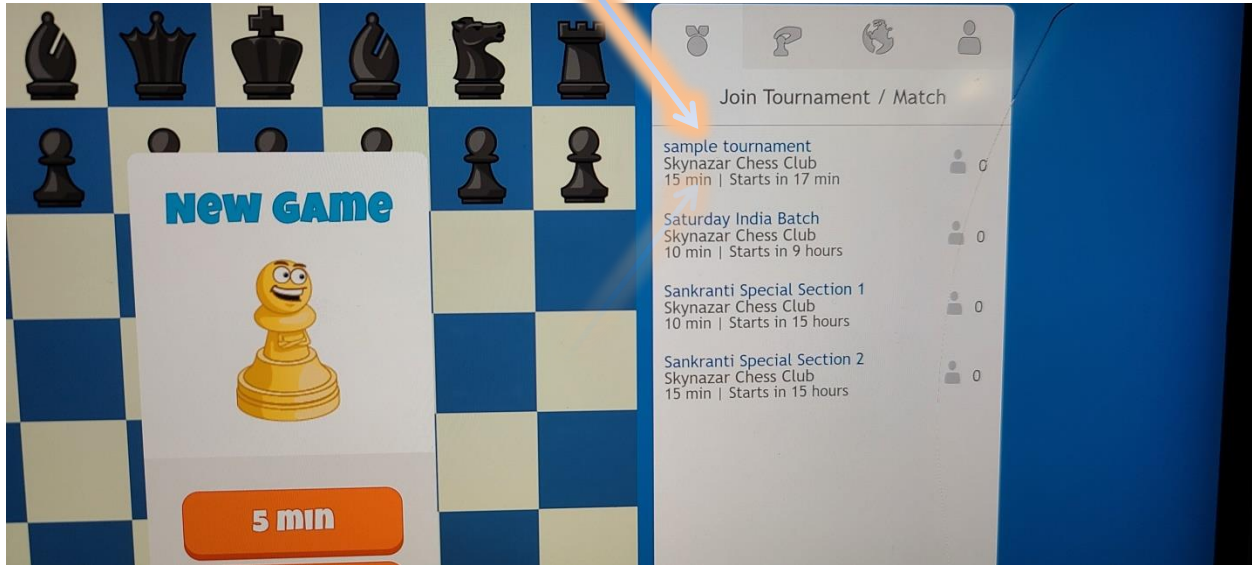

1. Login to ChessKid.com only using Laptop or IPAD / Chrome book but only through **Google Chrome Web Browser** (not any Apps) with your Userid and Password Credentials that were shared. Please login before 10 minutes of Tournament to Join the Tournament.

2. Click Play vs Kid

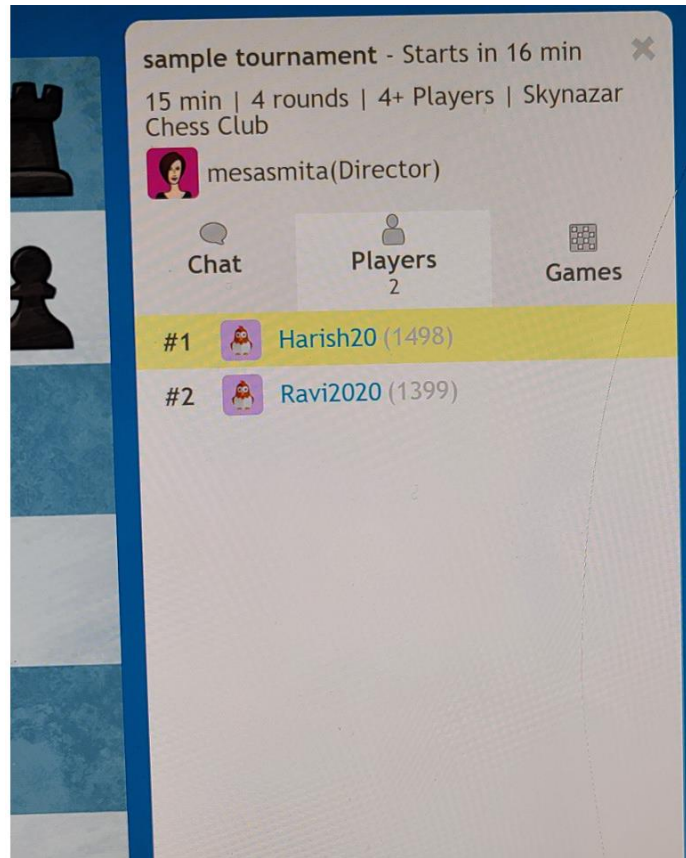

3. On the Right side of screen, Select the Tournament name that Coach has mentioned. Here Sample Tournament is selected.

4. Click **Join** button at the bottom of screen

5. After clicking Join button, you will see your name in the Players List.

6. We should stay on this screen only throughout the Tournament otherwise it will not pair your name for next Round, the Game will start automatically and the Pairing will be done by Auto Program. After all Rounds are completed, Results are Auto populated on screen.
7. Coach will provide Analysis of your Game in the Regular Sessions on the Tournament Games that are played.
8. Best Wishes for the Game. The Results will also be populated on the website :
